

INTERNATIONAL FIGURE "8" DERBY

4, 6 & 8 CYLINDER CLASS

(219) 324-4813 • (219)363-8896 PO Box 245 • La Porte IN. 46352

OFFICIAL RULES & REGULATIONS FOR FIGURE "8" DERBIES

A few years ago we developed this form of demolition derby as something new for both drivers and spectators. Unlike the traditional demo, in this event it is your ability to out-think and out-maneuver the other guy that makes you the winner . . . not brute force! Drivers all over are switching to Figure "8" derbies because of the challenge. . . With the help of drivers we have developed these rules to make this type of derby fair and fun for all. . .

THE RULES FOR "FIGURE 8" RACING ARE THE SAME AS DEMOLITION DERBIES WITH THE FOLLOWING EXCEPTIONS:

1. Any automobile is acceptable. Four cylinders, six cylinder or V-8 (will be separate classes), 4 or 5 lug wheels.
2. Driver's door must be securely fastened. A bar, bumper, or guard rail must be attached to or in the door. Reinforcement must not extend out from the car more than 3" and be tapered off to the body of the car. In this type of derby we cannot protect the door. REINFORCEMENT IS MANDATORY. Absolutely NO concrete will be allowed. No door reinforcement, No Run.

THE FOLLOWING RULES APPLY ONLY TO FIGURE "8" DERBIES:

3. Your car may be reinforced within the following guidelines:
 - A. All reinforcement must be kept behind the original grill & within the original sheet metal. This includes all reinforcements inside the car. This includes nothing welded/bolted to the bumper unit itself (metal welded to the bumper mounts as supports is okay).
 - B. Bars used must not exceed 4" in diameter.
 - C. Bars must NOT extend back farther than the center of the strut tower.

The Officials Will Be The Sole Judge Of Excess Reinforcement And May Require You To Add Or Subtract Metal As Needed.
4. Bumpers must be O.E.M. or from a similar vehicle, and in O.E.M. condition! No push bumpers!
5. First place winners only in main event.
6. The winner is determined by the first car to cross the finish line after a pre-determined number of laps. Therefore, cars must remain in a forward motion EXCEPT if a bottle neck occurs at a corner. Reverse will be allowed. Deliberate contact while in reverse will result in a disqualification.
7. You can get disqualified for the following: Leaking Gas, Hung-Up On A Log, Reckless Driving, Leaving the Driving Area, Sitting Dead On The Course, and Fire.
8. Starting positions will be determined upon arrival.
9. First Place only gets money and trophy. This person is eligible for the main event.
10. Intentionally leaving the Figure "8" Pattern so as to intentionally hit another driver may cause disqualification.
11. ANY AND ALL DECISIONS OF THE JUDGES ARE FINAL.
